The design *experience*.

Arista defies convention to embrace *low-rise architecture*, with an exclusive choice of apartment homes.

The linear spread of the blocks and a harmonious balance of verdant landscaping and open spaces offer a gentle reprieve from the rigours of urban living.

The contemporary architecture with clean, sweeping lines, *compelling frontage* and careful detailing create an architectural focal point.

A fresh opulence.

Flowing, seemingly endless spaces, *a profusion of light and air* and exquisite detailing create an uniquely opulent experience.

The Arista offers fashionable 4 bedroom duplex and 3 bedroom options, with a private pool or garden in most apartments.

The interior planning and specifications showcase a unique combination of *style, functionality and sophistication*, accentuated by impeccable quality of finishes.

A tribute to *the epicure.*

The shimmering waters of the pool reflect *a luxurious expanse of indulgences at Arista.*

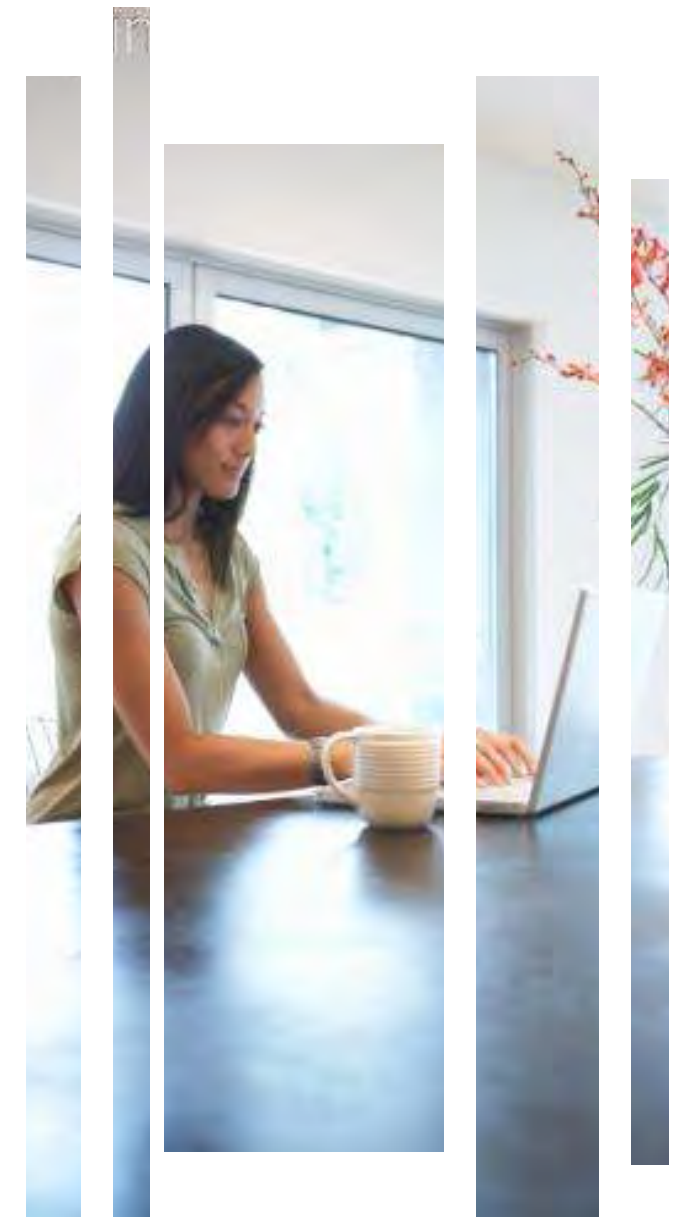

The toddler's pool promises engrossing moments of fun for little ones.

Sculpted, verdant soul spaces revitalize the spirit and offer calming respite from the urban clutter and din.

A gym with steam and sauna is designed for the body, mind and soul.

Indoor sport including table tennis and billiards invite the energetic.

Wi-Fi connectivity and total power back-up assure a lifestyle less ordinary.

An urban legend.

The Arista represents a signature development of the Ajmera Group. A marquee that has come to be associated with groundbreaking urban landmarks and spaces.

The group portfolio encompasses a slew of residential and commercial developments unparalleled in scale and totalling 1.7 crore sft across Mumbai.

Outstanding among them are Asia's largest private residential development, Mumbai's first mixed use development hosting a I-Max with the world's largest dome screen and the city's largest landscaped garden in a private enclave.

Developments in Bangalore encompass Ajmera Green Acres, a sell-out apartment project on Bannerghatta Road and Ajmera Infinity, a 1000 apartment project, near Electronics City.

*The Arista life awaits
connoisseurs of elegant contemporaneity
and superior luxury. Welcome.*
